

## Features

1. High stability, high precision and high reliability.
2. High quality performance, QS9000, ISO9001, ISO14001 certificated.
3. Available with various types of features, shapes, materials and dimensions upon request.

## Applications

1. Appliances:  
Air Conditioner, Refrigerator, Washing Machine, Rice and Pressure Cooker, Drinking Machine, Electric Fan, Electric Iron, Microwave Oven . . . .
2. Automotive
3. For temperature or signals sensing, thermometer, converter . . . .

## Electrical characteristic

Resistance at 25 °C	: 1KΩ ~ 500KΩ
Tolerance of R25	: ± 1%、± 2%、± 3%、± 5%、± 10%
B value(25/85 or 25/50)	: 3000K ~ 5000K
Tolerance of B value	: ± 0.75%、± 1%、± 2%、± 3%

\*Other specification upon request
